Subject: Feedback on Market Stall Vendor Permit Process

Dear [Recipient's Name],

I hope this message finds you well. I am writing to provide some feedback on the market stall vendor permit process I recently went through. Overall, I appreciate the efforts made to streamline the application procedure; however, I would like to highlight a few areas that could benefit from improvement.

Positive Aspects:

- The online application system is user-friendly and efficient.
- Response times from the office were prompt and informative.
- Clear guidelines and requirements were provided at the onset.

Areas for Improvement:

- It would be helpful to have more detailed information on the required documents.
- A timeline for the approval process should be communicated upfront.
- Consider offering an FAQ section on the website for common questions.

Thank you for considering my feedback. I hope it contributes to enhancing the experience for future vendors. I look forward to your response.

Sincerely,

[Your Name]
