To Whom It May Concern,

I am writing to formally express my dissatisfaction with the current landscape architecture license procedures. As a dedicated professional in this field, I have encountered several challenges that have hindered my ability to obtain my license in a timely manner.

Specifically, I have experienced delays in processing my application, lack of clear communication regarding required documentation, and inconsistencies in requirements that are causing unnecessary confusion. These issues not only affect my career progression but also impact the overall professionalism of our industry.

I urge the relevant authorities to review and improve the licensing process to make it more efficient and transparent for all aspiring landscape architects.

Thank you for your attention to this important matter. I look forward to your prompt response.

Sincerely,

[Your Name]
