

Freelance Market Comparison

Date: [Insert Date]

Dear [Recipient's Name],

I hope this message finds you well. As you know, the freelance market is rapidly evolving, and I wanted to share my insights on some niche markets that have emerged recently. Below, you'll find a comparison of various freelance niches that may pique your interest:

Market Comparison

Niche Market	Demand Level	Average Rate	Key Skills Required
Content Writing	High	\$50/hour	SEO, Editing, Research
Graphic Design	Moderate	\$45/hour	Adobe Suite, Creativity
Web Development	Very High	\$75/hour	JavaScript, HTML/CSS
Social Media Management	Growing	\$40/hour	Marketing, Communication

Based on this comparison, I recommend focusing your efforts on the web development niche due to its high demand and lucrative rates.

Should you require any further details or assistance in exploring these markets, feel free to reach out.

Best regards,
