Dear [Recipient Name],

I am writing to request funding for our healthcare innovation initiative, [Project Name], which aims to [briefly describe the project and its goals]. Our organization is committed to improving patient outcomes through [specific innovation or approach].

We have identified several challenges within the current healthcare system, including [mention specific issues]. With your support, we can implement [describe proposed solutions] to address these issues effectively.

The total budget for the project is [insert budget amount], and we are seeking [insert specific amount] in funding from [Recipient's Organization]. We believe this initiative aligns with your organization's mission to [mention relevant mission or goals of the recipient's organization].

We would appreciate the opportunity to discuss this proposal in more detail and explore potential collaboration. Thank you for considering our request, and we look forward to the possibility of working together to transform healthcare innovation.

Sincerely,

[Your Name]
