

Best Practices for Medication Storage and Handling

Date: [Insert Date]

To Whom It May Concern,

This letter serves as a reminder of the best practices for medication storage and handling to ensure the safety and efficacy of medications. Please adhere to the following guidelines:

Storage Practices

- Store medications at recommended temperatures; avoid extreme heat or cold.
- Keep medications in their original containers to avoid confusion.
- Ensure that all medications are out of reach of children and pets.
- Avoid exposure to moisture and sunlight; use a cool, dry place for storage.

Handling Practices

- Always wash your hands before handling medications.
- Use clean equipment and containers for dosage.
- Never take medications past their expiration date.
- Dispose of unused or expired medications properly; do not flush them down the toilet or throw them in the trash.

We appreciate your attention to these important practices to ensure safe medication management. If you have any questions, please feel free to reach out.

Sincerely,

[Your Name]
