Dear [Recipient Name],

I am writing to propose a collaboration between [Your Organization] and [Recipient Organization] for the development of [specific drug or therapeutic area]. Our team has identified a significant opportunity to combine our resources and expertise to advance this project effectively.

We believe that [briefly describe the rationale for collaboration, such as unique technology, expertise, or market opportunity]. By pooling our capabilities, we are confident we can accelerate the development process and achieve our mutual goals more efficiently.

We propose to initiate discussions regarding the following key aspects of our collaboration:

- Objectives and goals of the collaboration
- Roles and responsibilities of each party
- Intellectual property considerations
- Tentative timelines and milestones
- Financial commitments and funding

I would appreciate the opportunity to discuss this collaboration in more detail and explore how we can work together to bring this project to fruition. Please let me know your availability for a meeting at your earliest convenience.

Thank you for considering this proposal. I look forward to your positive response.

Sincerely,
