Subject: Accessibility Policy for [App Name]

Introduction

As a freelance developer, I am committed to building applications that are accessible to all users. This document outlines my accessibility policy to ensure compliance with recognized standards.

Accessibility Standards

My development practices align with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards to enhance usability for people with disabilities.

Guidelines and Practices

- Provide text alternatives for non-text content.
- Ensure navigation is accessible using a keyboard.
- Create content that can be presented in different ways without losing meaning.
- Color contrast ratios will be adhered to, to assist users with visual impairments.

Testing and Feedback

I will conduct regular accessibility testing and welcome user feedback to continually improve the app's accessibility features.

Conclusion

Thank you for the opportunity to work on [App Name]. I look forward to developing an accessible application that meets the needs of all users.

Best regards,
