Dear [Recipient Name],

As a committed online educator, I am dedicated to providing an accessible and inclusive learning environment for all students. This accessibility policy outlines my approach to ensuring that my online courses are welcoming and usable for individuals with diverse needs.

## 1. Commitment to Accessibility

I strive to comply with all applicable accessibility standards, including the Web Content Accessibility Guidelines (WCAG) 2.1. My goal is to eliminate barriers and enhance the learning experience for every student.

## 2. Course Materials

All course materials, including videos, documents, and presentations, will be designed to accommodate various learning styles. I will provide captions for video content, text alternatives for images, and audio descriptions when necessary.

## 3. Communication

Effective communication is essential for learning. I will use clear language and provide multiple means of communication (e.g., email, discussion boards) to ensure that all students can engage with the course content and with me.

## 4. Feedback and Support

I welcome feedback on the accessibility of my courses. Should you encounter any obstacles, please reach out to me at [Your Email Address] so that I can address your concerns promptly.

## 5. Continuous Improvement

I am committed to continuously improving the accessibility of my courses. I will regularly review practices and policies, incorporating student feedback to enhance the learning experience for all.

Thank you for your attention to this important matter. Together, we can create a more inclusive learning environment.

Sincerely,
