

Accessibility Policy for Web Development Services

Date: [Insert Date]

To Whom It May Concern,

I am committed to ensuring that all web development services I provide are accessible to individuals with disabilities in accordance with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

Policy Overview

This accessibility policy applies to all digital products and services delivered by my freelance business. It outlines the measures I take to make my web projects usability-friendly for everyone.

Accessibility Goals

- Comply with applicable accessibility laws and regulations.
- Integrate accessibility considerations into all stages of web development.
- Provide ongoing training and resources to stay updated on accessibility practices.

Key Strategies

1. Conduct accessibility audits and testing on all websites.
2. Ensure semantic HTML is used for proper document structure.
3. Utilize ARIA roles and attributes to enhance screen reader accessibility.
4. Ensure text alternatives for non-text content are provided.

Feedback and Contact

If you have any feedback or require further information about accessibility in my services, please contact me at [Your Email Address].

Thank you for your attention to this important matter.

Sincerely,
