Thank you for submitting your proposal to [Company Name]. We appreciate the time and effort you invested in outlining your vision for [Project/Startup Name].

After careful consideration, we regret to inform you that we will not be moving forward with your proposal at this time. Although we recognize the innovative aspects of your project, several risk factors contributed to our decision:

- Market competition appears to be highly saturated, which may challenge user acquisition.
- Projected financial forecasts show significant uncertainty in revenue generation.
- The technology development timeline seems ambitious, with potential delays.

We encourage you to refine your proposal with these considerations in mind, and we wish you the best in your future endeavors. Please feel free to reach out if you would like specific feedback or have any questions.

Warm regards,
