Dear [Recipient Name],

Subject: Disapproval of Proposed Modifications in Technology Terms

I hope this message finds you well. I am writing to formally express my disapproval regarding the proposed modifications to the technology terms outlined in [specific document or agreement name].

After careful consideration, we believe that the suggested changes may not align with our strategic goals and could potentially affect our operational efficiency. Our concerns include:

- **Clarification of Responsibilities:** The revised terms could lead to ambiguity in roles.
- **Compliance Risks:** Potential non-compliance with industry standards.
- **Financial Implications:** Increased costs that were not previously accounted for.

We appreciate your efforts in considering these modifications; however, we must prioritize our organizational integrity and continued success. We are open to discussing this matter further to explore alternatives that better meet the interests of both parties.

Thank you for your understanding. I look forward to your response.

Sincerely,
