Dear [Recipient Name],

I am writing to formally express my concerns regarding the recent proposed changes to the contractual obligations pertaining to our technology agreement. After careful consideration, I believe these changes could significantly impact our collaboration, efficiency, and overall operational integrity.

Specifically, the alterations to the terms of service and compliance requirements raise several issues. The proposed modifications could potentially hinder our ability to meet our strategic goals and jeopardize our data security protocols.

Additionally, I would like to highlight that these changes were not discussed in our prior meetings and seem to contradict the principles of mutual benefit that have guided our partnership thus far.

I urge you to reconsider these changes and engage in a dialogue to discuss potential alternatives that maintain the integrity of our original agreement. It is crucial that we work together to find a solution that respects the commitments made on both sides.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name] [Your Job Title] [Your Company/Organization Name]
