Dear Admissions Committee,

I hope this message finds you well. I am writing to inquire about the possibility of deferring my admission to [University Name] for the [Insert Academic Year/Semester], due to unforeseen financial challenges that I am currently facing.

Despite my eagerness to join [University Name], I have encountered significant financial constraints that have made it difficult for me to secure the necessary funding to support my education at this time. I believe that deferring my admission would allow me the opportunity to address these challenges adequately and ensure that I can fully commit to my studies upon my arrival.

I am highly appreciative of the offer of admission and am still very much interested in becoming a part of your esteemed institution. If possible, I would like to discuss any available options for deferral and any necessary steps I need to take to formalize this request.

Thank you for your understanding and consideration. I look forward to your prompt response.

Sincerely,
