**Dear [Charity Organization Name or Contact Person],**

I hope this message finds you well. I am writing to inform you about my decision to return a portion of the funds donated to [specific project or cause] amounting to [amount].

While I fully support the mission and values of [Charity Organization Name], I believe it is important to allocate funds in a manner that aligns with our mutual goals. After careful consideration, I felt that returning these funds could assist in better addressing the current needs or projects faced by the organization.

I would appreciate your guidance on the best method to process this return. Thank you for your understanding and for the incredible work that you continue to do.

Sincerely,

[Your Name]

[Your Title/Position, if applicable]
