

Invitation to Genetic Counseling

Dear [Couple's Names],

We are pleased to invite you to attend a genetic counseling session as you plan for your future family. This session will provide you with important information regarding genetic factors that may affect pregnancy and family health.

Date: [Insert Date]

Time: [Insert Time]

Location: [Insert Location]

During the session, our experienced genetic counselor will discuss:

- Your family history and its potential impact on pregnancy
- Testing options and their implications
- Support resources available to you

Please confirm your attendance by [RSVP Date]. We look forward to assisting you in this exciting journey toward parenthood.

Sincerely,

[Your Name]
