

Invitation to Genetic Counseling Session

Dear [Patient's Name],

We are reaching out to invite you to a genetic counseling session to discuss hereditary condition screening.

This session aims to provide you with information about hereditary conditions that may affect you and your family. Our experienced genetic counselors will assist you in understanding the screening options available and the implications of the results.

Details of the Session:

- **Date:** [Insert Date]
- **Time:** [Insert Time]
- **Location:** [Insert Location]

Please confirm your attendance by [Insert RSVP Date]. You may contact us at [Insert Contact Information] for any questions or to schedule a specific date and time.

We look forward to assisting you in this important decision-making process.

Warm regards,

[Your Name]
