

# Invitation to Genetic Counseling Services

Dear [Provider's Name],

We are pleased to announce the availability of genetic counseling services for your prenatal patients. Our team at [Your Clinic's Name] is dedicated to providing comprehensive genetic risk assessment and counseling tailored to each individual family's needs.

We invite you to refer your patients to our clinic for:

- Preconception counseling
- Prenatal genetic screening options
- Diagnostic testing discussions
- Risk assessment for hereditary conditions

To schedule an appointment or to discuss how we can collaborate in providing optimal care for your patients, please contact us at [Phone Number] or [Email Address].

Thank you for your commitment to your patients and for considering our genetic counseling services.

Sincerely,
