Dear [Recipient's Name],

I am writing to propose a collaboration between [Your Organization's Name] and [Recipient's Organization's Name] focused on advancing bladder health research. Our team has identified several critical areas that require further exploration and believe that our combined expertise can significantly contribute to understanding and improving bladder health outcomes.

With the upcoming funding opportunities, we are keen to align our research objectives and submit a joint proposal for funding that addresses [briefly mention specific research areas or goals]. Our previous work in [mention relevant experience or prior research] has laid a strong foundation that complements your organization's strengths in [mention their expertise or focus area].

We envision that this partnership can lead to innovative solutions that will benefit both our organizations and the wider community impacted by bladder health issues. We would greatly appreciate the opportunity to discuss this collaboration further and explore how we can work together.

Please let us know your available times for a meeting in the coming weeks. We look forward to the possibility of collaborating on this important endeavor.

Thank you for considering this proposal. We are excited about the potential impact of our partnership on bladder health research.

Sincerely,

[Your Name]
