

Fragile Shipment Care Instructions

Dear Logistics Provider,

We appreciate your partnership in handling our shipments. Below are important care instructions for our fragile items:

Handling Instructions:

- Always handle shipments with care and avoid dropping or throwing.
- Use appropriate cushioning materials to protect fragile items.
- Keep packages upright when transporting.
- Avoid stacking heavy items on top of fragile shipments.

Shipping Instructions:

- Clearly label all packages as "FRAGILE".
- Use specialized packaging designed for fragile goods.
- Avoid exposing shipments to extreme temperatures.
- Ensure all items are secured properly during transit.

Thank you for your attention to these instructions. Your cooperation is crucial in ensuring the safety of our fragile shipments.

Best regards,

[Your Company Name]
