Dear [Recipient's Name],

I am writing to formally initiate discussions regarding the potential sale of rights associated with [specific software or project title]. As we have previously discussed, we believe that a negotiation will be mutually beneficial for both parties.

To outline our goals and expectations, we propose the following terms for consideration:

- **Scope of Rights:** [Define the specific rights being sold]
- **Financial Terms:** [Outline proposed payment structure]
- **Development Timeline:** [Propose timeline for development and delivery]
- **Support and Maintenance:** [Outline post-sale support availability]

We believe that these terms will ensure a successful partnership and enable the effective utilization of the software. We are open to discussing modifications and are eager to hear your thoughts.

Please let us know your availability for a meeting or call to discuss this further. We are hopeful that we can reach a favorable agreement.

Thank you for considering this proposal. I look forward to your prompt response.

Sincerely,
