Dear [Recipient's Name],

I hope this message finds you well. My name is [Your Name], and I am an author/writer seeking to explore the possibility of international publishing rights for my work, titled "[Title of Your Work]."

Given the growing interest in global readership, I believe that my work has the potential to resonate with audiences beyond [Your Country]. I would like to inquire if [Publishing Company Name] holds the rights for international distribution or if you would be open to discussing potential collaboration for translation and publication in other countries.

I am eager to share my manuscript with you and discuss how we might work together to make it accessible to a wider audience. If this is of interest to you, please let me know a convenient time for us to connect or if there are specific guidelines I should follow for submission.

Thank you for considering my inquiry. I look forward to your response.

Sincerely,

[Your Name]
