Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally appeal for the establishment of group tutoring sessions for [subject or course name] at [institution or organization name]. I believe these sessions would significantly benefit students by creating a collaborative learning environment.

As a student who has experienced challenges in [mention specific difficulties], I have observed that many of my peers share similar struggles. Group tutoring would not only provide us with the academic assistance we need, but also foster a sense of community and support among students.

I propose that we consider implementing weekly group tutoring sessions led by qualified tutors or peer educators. This initiative could enhance student engagement and improve overall academic performance.

Thank you for considering this appeal. I am hopeful for a positive response, and I am more than willing to discuss this matter further if needed.

Sincerely,
