Subject: Appeal for Student Loan Deferment

Dear [Loan Servicer Name],

I am writing to formally request a deferment of my student loans due to my current unemployment status. My name is [Your Name], and my loan account number is [Account Number]. As of [Date], I have lost my job and have been actively seeking employment without success.

Despite my best efforts to find a new position, I have faced challenges in the job market that have made it difficult for me to secure stable employment. I am concerned about my ability to make loan payments, and I believe that a deferment would help alleviate some financial stress during this difficult time.

Attached are supporting documents, including my unemployment letter and any additional information that demonstrates my current financial situation.

I kindly ask for your understanding and support in granting this deferment. Thank you for considering my request, and I look forward to your prompt response.

Sincerely,

[Your Name]
