Dear [Author Name],

Thank you for your interest in submitting your manuscript titled "[**Title of Manuscript**]" to our journal. We are committed to maintaining high standards for the publication of scientific work and have recently implemented enhanced submission criteria that we would like to share with you.

## Enhanced Submission Criteria:

1. All manuscripts must be accompanied by a structured abstract of no more than 250 words.
2. Authors are required to provide a list of 5 potential reviewers who are not affiliated with the institution.
3. Each manuscript must include a detailed methodology section to enhance reproducibility.
4. Figures and tables must be in high resolution and properly cited within the manuscript.
5. A conflict of interest statement must be included by all authors.

We believe these criteria will strengthen the quality of submissions and enhance the review process. Should your manuscript align with these requirements, we invite you to submit it for review.

If you have any questions or require further clarification regarding the submission process, please do not hesitate to contact us at [Insert Contact Email].

Thank you for your understanding and cooperation.

Sincerely,
