

Dear Beta Reader,

I hope this message finds you well. I am reaching out to request your feedback on my latest narrative non-fiction manuscript titled "*Title of Your Book*". Your insights would be invaluable as I refine the content prior to publication.

The narrative focuses on **brief description of the subject matter or story**. I believe your perspective would greatly enhance the depth and clarity of the final product.

While reading, please consider the following questions:

- Was the narrative engaging and clear?
- Were there any sections that felt confusing or unclear?
- Did the characters or subjects resonate with you?
- What emotions did you experience while reading?

I appreciate your time and effort in helping me improve this manuscript. Please let me know a convenient time frame for you to provide your feedback, as well as your format preference for returning it--written comments or a call would be great.

Thank you so much for your support!

Sincerely,
