

Hey Team!

I hope this message finds you well. I wanted to suggest that we organize a casual discussion group where we can share our thoughts on recent topics in our field.

We could meet once a week over coffee, or even online if that works better for everyone. It would be a great way to bounce ideas off one another and deepen our understanding of the material.

Let me know what you think and if you have any topics in mind that you'd like to discuss!

Looking forward to hearing from you!

Best,
