Dear [Recipient's Name],

I am writing to recommend the expansion of the current reading list for [specific course, program, or initiative], as I believe it would greatly enhance the educational experience of students engaged in this curriculum.

In my experience as [your title or position], I have witnessed firsthand the positive impact that diverse literature can have on students' critical thinking, empathy, and cultural awareness. By incorporating titles such as [Book Title 1], [Book Title 2], and [Book Title 3], we can provide students with a broader range of perspectives and ideas.

Furthermore, expanding the reading list to include genres and authors traditionally underrepresented will not only foster a more inclusive environment but will also inspire students to engage more deeply with the material and connect it to real-world issues.

Thank you for considering this important recommendation. I am confident that this expansion will greatly benefit our students and their learning journey.

Sincerely,
