Despite the challenges that led to [his/her/their] dismissal, [he/she/they] has taken proactive steps to address these issues, including [specific actions taken by the student, e.g., attending counseling, seeking tutoring, etc.].

I firmly believe that [Student's Name] has the capability and determination to succeed if given another chance. [He/She/They] has expressed deep remorse and an understanding of the importance of [his/her/their] education. It is essential that we support students during their difficult times, and I am confident that with this second opportunity, [he/she/they] will rise to the occasion.
