Dear [Official's Name],

I am writing to formally petition for the inclusion of an Ethnic Studies requirement as part of the graduation criteria for [specific program or degree] at [School/University Name].

As we continue to strive for a more inclusive and equitable educational environment, the incorporation of Ethnic Studies into our curriculum is essential. Studies have shown that understanding diverse ethnic backgrounds enriches the learning experience and fosters a more holistic understanding of societal issues.

My proposal includes:

- Introduction of mandatory Ethnic Studies courses for all students
- Incorporation of Ethnic Studies elements into existing programs
- Collaboration with faculty across departments to develop comprehensive curriculum

Many institutions nationwide have successfully adopted similar requirements, which have resulted in enhanced student engagement and academic performance.

I hope you will consider this proposal seriously and look forward to your positive response regarding a meeting to discuss the potential implementation in more detail.

Thank you for your attention to this important matter.

Sincerely,
