Dear [Director's Name],

As part of our ongoing efforts to evaluate and enhance our brand's position in the market, we are conducting a brand perception assessment. This assessment aims to gather insights from key stakeholders, including directors like yourself, to better understand how our brand is perceived in comparison to competitors.

Your input is invaluable in shaping our strategic direction. We kindly request your participation in a brief survey that will cover aspects such as brand awareness, brand associations, customer loyalty, and overall reputation. The insights gained will inform our future marketing strategies and ensure we align with our company values.

Please find the survey link below:
