Dear [Recipient Name],

I am writing to formally appeal the recent evaluation of my service effectiveness as a board director. I believe that the assessment does not fully reflect my contributions and impact on the board's initiatives and overall goals.

Over the past year, I have undertaken several key projects, including [briefly list projects or initiatives], which I believe have significantly advanced our mission. Furthermore, I have consistently sought to foster collaboration and transparency among board members.

I respectfully request a reconsideration of my evaluation and would appreciate the opportunity to discuss this matter further. I am eager to provide additional context to my contributions and explore ways to enhance my effectiveness as a board director.

Thank you for considering my appeal. I look forward to your response.

Sincerely,

[Your Name]
