Dear [Charity Organization Contact Name],

I hope this message finds you well. My name is [Your Name], and I am the owner of [Franchise Business Name]. We are always looking for ways to give back to our community, and I believe that partnering with [Charity Organization Name] would be a wonderful opportunity for us to do just that.

We are impressed by the work your organization does in [briefly mention charity work] and would love to explore possibilities for collaboration. I propose that we organize a fundraising event where a portion of our sales can be donated to your charity. This event could help raise awareness for your cause while also bringing our community together.

Additionally, we are open to any ideas you may have for potential collaboration, whether it be through events, sponsorships, or volunteer efforts from our team.

I would love the opportunity to discuss this further. Please let me know your availability for a meeting within the next couple of weeks.

Thank you for considering this partnership. I look forward to hearing from you soon.

Warm regards,

[Your Name]
