To: [Franchise Partner Name]

Address: [Franchise Partner Address]

Dear [Franchise Partner Name],

We are writing to express our commitment to the United Nations Sustainable Development Goals (SDGs) and to highlight our collaborative efforts in promoting sustainability within our franchise network.

At [Your Company Name], we recognize the critical importance of sustainable practices and their impact on our community, the environment, and future generations. As part of our franchise family, we encourage all our partners to adopt practices that align with the SDGs, focusing on:

- **Goal 12:** Responsible consumption and production
- **Goal 13:** Climate action
- **Goal 17:** Partnerships for the goals

We believe that by integrating these goals into our business strategies, we can create a positive change that benefits both our franchisees and the communities we serve. Together, we can lead initiatives that reduce waste, support local economies, and foster innovative solutions in our day-to-day operations.

We encourage you to review and align your practices with these goals and to share your efforts and achievements with us. Let's work together to create a sustainable future for our franchises and the planet.

Thank you for your commitment to sustainability.

Sincerely,
