

Subject: Commitment to Sustainability in Our Supply Chain

Dear [Franchisee's Name],

We are excited to share our enhanced sustainability initiatives aimed at improving our supply chain management. As a valued member of our franchise family, your participation is crucial to our collective success.

Our key sustainability initiatives include:

- Eco-friendly sourcing of materials
- Reducing carbon emissions across logistics
- Implementing waste reduction programs
- Engaging with suppliers who share our commitment to sustainability

We believe that by working together, we can not only reduce our environmental impact but also enhance our brand image and increase profitability. Your feedback and involvement are essential as we roll out these initiatives.

Please feel free to reach out if you have any questions or suggestions.

Thank you for your continued partnership on this important journey.

Sincerely,
