

Hospice Care Planning Discussion

Date: _____

Dear [Family Member's Name],

As we navigate this challenging time, it is important to discuss the care plan that will ensure [Patient's Name] receives the support and comfort they need. We invite you to have an open conversation regarding the following topics:

1. Goals of Care

What are the primary goals for [Patient's Name]'s care moving forward?

2. Preferred Living Environment

Where does [Patient's Name] wish to receive their care? Home, hospice facility, or hospital?

3. Pain and Symptom Management

What are the pain management strategies we should put in place?

4. Emotional and Spiritual Support

What types of emotional or spiritual support would be beneficial for [Patient's Name] and the family?

5. Communication Preferences

How would you like to communicate updates and decisions regarding [Patient's Name]'s care?

Please take some time to think about these questions and bring any additional thoughts to our next meeting scheduled for [Date & Time]. Your input is invaluable in creating a compassionate and supportive care plan.

Thank you for your love and dedication during this time.

Sincerely,

[Your Name]
