

Commitment to Campus Leadership Program

Date: _____

To Whom It May Concern,

I am writing to express my commitment to participating in the Campus Leadership Program for the upcoming academic year. I understand the importance of leadership development and the impact it has on both personal growth and the campus community.

I am dedicated to attending all scheduled meetings, workshops, and events associated with the program. I am also eager to contribute by sharing my experiences, supporting my peers, and engaging actively in all activities designed to enhance our leadership skills.

I believe that through this program, I will be able to develop valuable skills and foster relationships that will benefit not only my professional journey but also the experiences of my fellow students.

Thank you for this opportunity. I look forward to being an active participant in the Campus Leadership Program.

Sincerely,
