

Genetic Testing Results

Date: [Insert Date]

Patient Name: [Insert Patient Name]

Patient ID: [Insert Patient ID]

Dear [Patient Name],

We are writing to inform you of the results from your recent genetic testing conducted on [Insert Test Date]. After a thorough analysis of your samples, we have identified findings that suggest a non-paternity status regarding the individual discussed during the test.

Summary of Findings:

- Tested Relationship: [Insert Test Relationship]
- Probability of Paternity: [Insert Probability]% (indicating a non-paternity finding)
- Additional Information: [Insert any additional findings]

Please understand that these results can be difficult to process. We encourage you to discuss these findings with a healthcare professional to help guide you through this information. You may also consider genetic counseling for further assistance.

If you have any questions or need further clarification, please do not hesitate to contact our office at [Insert Contact Number] or [Insert Email Address].

Sincerely,

[Insert Your Name]

[Insert Your Title]

[Insert Laboratory/Institution Name]
