

# Personalized Genetic Testing Results

Date: [Insert Date]

Patient Name: [Patient Name]

Patient ID: [Patient ID]

**Dear [Patient Name],**

We are writing to inform you of the results from your recent genetic testing. After careful analysis, we have identified positive findings that may have implications for your health and medical management.

## Results Summary:

- Test Conducted: [Test Name]
- Finding: [Specific Genetic Variant/Condition]
- Clinical Implications: [Brief Description of Implications]

## Next Steps:

1. Schedule a follow-up consultation to discuss implications and management options.
2. Consider genetic counseling for more information about your results.
3. Discuss with family members regarding potential testing and implications.

If you have any questions or concerns, please do not hesitate to reach out to our office at [Contact Information].

Thank you for allowing us to be a part of your healthcare journey.

**Sincerely,**

[Your Name]
