

Genetic Testing Results

Dear [Patient's Name],

We are writing to share the results of your recent genetic testing conducted as part of your participation in our research study, [Study Name].

Test Results Summary

Test Date: [Test Date]

Results: [Brief Summary of Results]

Interpretation

[Provide a brief interpretation of the results, including any relevant information about genetic variants identified and their potential implications.]

Next Steps

If you have any questions or would like to discuss the results further, please feel free to contact us at [Contact Information]. We recommend scheduling a follow-up appointment for a comprehensive discussion.

Research Participation

Your participation in this research study helps us to better understand genetic conditions and their implications. If you have any questions about your involvement or about how your data will be used, please reach out to [Research Coordinator Name] at [Research Coordinator Contact Information].

Thank you for your invaluable contribution to our research.

Sincerely,

[Your Name]
