

Reservation Confirmation

Dear [Restaurant Name] Team,

I hope this message finds you well. I am writing to confirm my reservation for [number of people] on [date and time].

As I have a gluten intolerance, I would greatly appreciate it if you could accommodate a gluten-free diet for my meal. If possible, please let me know which gluten-free options will be available during my visit.

Thank you for your attention to this matter, and I look forward to dining at your restaurant.

Best regards,
