

Veterinary Documentation Requirements for Pets

Date: [Insert Date]

To Whom It May Concern,

This letter is intended to outline the necessary documentation required for your pet's veterinary care.

Required Documentation:

- Proof of Vaccination (e.g., Rabies, Distemper, Bordetella)
- Medical History Record
- Previous Veterinary Records
- Microchip Information (if applicable)
- Prescription Medications (if applicable)

Please ensure that all documentation is provided prior to your pet's appointment to ensure a smooth and efficient process.

If you have any questions regarding the documentation requirements, feel free to contact us at [Insert Contact Information].

Thank you for your cooperation.

Sincerely,
