Dear [Editor's Name],

I am pleased to submit my review article titled "[Title of Your Article]" for consideration for publication in [Journal Name]. In this article, I discuss [briefly summarize the main topics or findings of your review].

This review article is based on a comprehensive analysis of [mention any specific area, datasets, or studies] and aims to provide insights for [state the target audience or purpose]. I believe it will contribute significantly to the current literature.

Attached with this letter, you will find the manuscript formatted according to the journal's guidelines. I have also included [mention any additional documents such as figures, tables, or supplementary materials, if applicable].

I confirm that this manuscript has not been published elsewhere and is not currently under consideration by any other publication. I have no conflicts of interest to disclose.

Thank you for considering my submission. I look forward to your positive response.

Sincerely,

[Your Name]
