

Important Travel Recommendations for Staff

Dear Team,

As part of our commitment to ensuring safe and productive travels, please find below some important travel recommendations:

Pre-Travel Checklist

- Ensure your passport is valid for at least six months beyond your travel dates.
- Check if a visa is required for your destination and apply in advance.
- Consider purchasing travel insurance for health and safety coverage.

Health and Safety

- Stay updated with the health and safety guidelines of your destination.
- Carry a first-aid kit, including any personal medications.
- Secure contact information for local emergency services and the nearest embassy.

During Travel

- Keep your travel documents and valuables secure.
- Stay connected with your team and provide updates on your whereabouts.
- Follow local customs and regulations to ensure respectful interactions.

If you have any questions or need further assistance, please feel free to reach out. Safe travels!

Best Regards,
