Dear [Recipient Name],

I am writing to express my concerns regarding the packaging used for your products. As a consumer who values sustainable practices, I was disappointed to find that the packaging was not environmentally friendly.

[Briefly describe the specific packaging issue, e.g., excessive waste, non-recyclable materials, etc.]

It is essential for companies to commit to sustainable packaging solutions that minimize environmental impact. I urge you to reconsider your packaging strategies and explore eco-friendly alternatives.

Thank you for your attention to this matter. I look forward to your response and any steps you may take to address these concerns.

Sincerely,
