Dear [Recipient Name],

I am writing to formally express my grievance regarding a recent experience I had with your company involving a price misrepresentation.

On [specific date], I purchased [product/service] advertised at [advertised price] through [website/store]. However, when I completed the transaction, I was charged [actual price], which is significantly higher than the advertised price.

This discrepancy has caused considerable frustration and dissatisfaction. I believe this constitutes a misrepresentation of price, violating consumer rights.

I kindly request an explanation for this price misrepresentation and seek a resolution, including a refund or price adjustment to reflect the originally advertised price.

Thank you for your prompt attention to this matter. I look forward to your immediate response.

Sincerely,

[Your Name]
