

# Feedback on Your Cosmetic Formulation

Dear [Recipient's Name],

Thank you for submitting your cosmetic formulation for our review. We appreciate the effort that went into its development. However, after thorough evaluation, we regret to inform you that we cannot proceed with your formulation due to the following reasons:

- **Ineffective Ingredients:** The active ingredients did not meet our efficacy standards.
- **Stability Issues:** We noticed potential stability issues that could affect the product's shelf life.
- **Skin Compatibility:** Some components raised concerns regarding skin sensitivity in our testing.

We encourage you to re-evaluate the formulation considering the feedback provided above. Please feel free to reach out for further guidance or support in modifying your formulation.

Thank you for understanding. We look forward to your revised submission.

Sincerely,

[Your Name]
