Dear [Agency Manager's Name],

I hope this message finds you well. I am writing to provide feedback on my recent experience with your job placement agency.

Unfortunately, I found the service lacking in several key areas:

- **Communication:** There was a noticeable delay in responses to my inquiries.
- **Job Matching:** The positions presented to me did not align with my skills or career goals.
- **Support:** I did not receive adequate assistance during the application process.

I believe that improving these aspects could significantly enhance the service for future clients. I would appreciate a follow-up discussion regarding my concerns.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
