Dear [Agency Contact Person's Name],

I am writing to formally express my concern regarding the lack of communication from your agency related to my job placement status. I initially registered with [Agency Name] on [Registration Date] and was assured of regular updates on potential job opportunities and the recruitment process.

However, over the past [time period], I have not received any updates, responses to my inquiries, or feedback on my applications. This lack of communication has caused me significant frustration as I have been actively seeking employment and depend on your agency's support.

I would appreciate it if you could provide me with an update on my job placement status and any potential opportunities that may be available. Furthermore, I would like to understand how your agency plans to improve communication with clients to ensure that similar issues do not occur in the future.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
