

# Follow-up on Your Reported Security Violation

Dear [User's Name],

We hope this message finds you well. We are writing to follow up on the recent security violation reported on your social media account.

We take the security of our users very seriously and want to assure you that we are actively investigating the issue. In the meantime, we recommend taking the following steps to enhance the security of your account:

- Change your password to a strong, unique one.
- Enable two-factor authentication.
- Review your account activity for any unauthorized actions.

If you notice any suspicious activity or have further concerns, please do not hesitate to reach out to our support team.

Thank you for your attention to this matter. We appreciate your cooperation in keeping our community safe.

Sincerely,

The [Social Media Platform] Team
