

Prenuptial Agreement Feedback

Dear [Recipient's Name],

I hope this message finds you well. I am writing to provide my feedback on the prenuptial agreement draft that you shared with me on [Date].

Firstly, I appreciate the clarity and comprehensiveness of the document. It addresses key aspects, including:

- Asset protection
- Debt responsibility
- Spousal support
- Division of property

However, I would like to suggest a few modifications to ensure both parties' interests are fully protected:

1. Consider including a clause regarding [specific concern].
2. Clarification on [another concern] would be beneficial.
3. It might be useful to add a section on [additional topic].

Thank you for your time and effort in drafting this agreement. I look forward to discussing this further and finalizing the details to ensure both parties are comfortable.

Best regards,
